To Whom It May Concern:

Dana Horochowski has worked under my supervision as the Cooperative Education Teacher from September 2005 to March 2006 at the Adults In Motion Private School. Her responsibilities included delivery of the Cooperative Education Program, working one-on-one with the students, marking student work and developing answer keys for the student courses. During the course of her employment with us, Dana proved herself to be a valuable employee and a hard worker.

Dana has a wonderful rapport with people of all ages, especially the students she works with. Her ability to connect with her students and her talent at teaching simple concepts, as well as more advanced topics, are both truly superior.

She has excellent written and verbal communication skills, is extremely organized, reliable and computer literate. Dana can work independently and is able to follow through to ensure that the job gets done. She accomplishes these tasks with great initiative and with a very positive attitude

I recommend Dana to you without reservation. If you have any further questions in regard to her background or qualifications, please do not hesitate to contact me.

Sincerely

Natalie Barry
